## *Proceedings of the Madras Government, Public Works Department, 25th July 1872.*

**No. 393.** Read the following letter from the Officiating Superintending Engineer, 7th Division, to the Secretary to Government, Public Works Department, dated Camp at Ootacamund, 21st June 1872, No. 56 :—

1 Plan.
1 Estimate, No. 10, Rupees 3,500.

In forwarding the enclosed plan and estimate, amounting to Rupees 3,500, providing for a Range Office and Range Officer's residence combined being constructed at Collegal, the head-quarters of the Collegal Range, I have the honour to report that no suitable accommodation of any kind at present exists for either the Range Office or the Range Officer's residence, and no building of a suitable description can be hired in the town for the purpose. The Range Officer being only a Supervisor cannot afford to build himself a house, and will willingly pay rent monthly for his quarters;* 6 per cent. on half the value of the building, namely, that occupied as Range Officer's residence would amount to Rupees 8-12-0 per mensem. Under the circumstances brought to notice I trust Government will sanction the estimate, funds, when available, being provided by me by transfer from savings on other works in the 7th Division.

* *Vide* G. O., No. 2,775, dated 18th November 1870.

---

**No. 394.** ORDER THEREON, 25th July 1872, No. 1,767.

| CIVIL WORKS, No. 13. |
|---|

THE Government sanction the plan with estimate, amounting to Rupees 3,500, for the building proposed to be erected at Collegal as a Range Office and as quarters for a Range Officer, and authorize the work to be undertaken, funds having been transferred to meet the outlay in G. O., No. 1,684, dated 13th July 1872.

2. As the out-buildings provided for are exclusively for the use of the Range Officer, the Government consider that the rent should be charged on the sum of Rupees 2,000 which, at 6 per cent., would amount to Rupees 10 a month.
